

JOIN THE BAND!

Congratulations, _____! You have been selected to join the Aldine Middle School Band to play the _____. We are excited to welcome you as a future musician!

FROM THE BAND DIRECTOR

Dear Parents,

Your child has expressed an interest in band. Over the last few weeks we showcased and demonstrated all of the band instruments. Students learned about the woodwind, brass, and percussion instruments. During the showcase, students selected (3) of their favorite instruments. Students also participated in a personality quiz as well as a brief instrument assessment to help match your child with the most appropriate instrument to play. To reserve an instrument, parents need to attend the instrument drive. Every instrument varies in equipment and supplies. A financial breakdown of your child's instrument as well as information about the instrument drive are provided on the back of this letter. Please January 31st, 2020.

On behalf of the band, it has been our pleasure to get to know your child! Please join us in encouraging them to participate and join the AMS Band Program!

Sincerely,

Kelly Connell
Aldine Middle School
Assistant Band Director
